

# How to get to Pax-Bank

## ✧ **By aeroplane**

From the airport Fiumicino (Leonardo da Vinci) you can take the shuttle bus to Rome centre.

Alternatively you can take the express train "Leonardo Express Aeroporto-Roma Termini" from the airport to the main railway station "Roma-Termini" which leaves every 30 minutes (to continue from Termini pls. see "By train").

But you can also take the regional train „Fiumicino Aeroporto-Orte“ to the station "Stazione San Pietro" (attention: in this case you must change the train at the station "Stazione Trastevere") or you can take a Taxi from there.

## ✧ **By train**

You can get to the main railway station of Rome "Roma Termini" by numerous national and international connections. From the main station (main exit) you can take the bus number 64 to the stop "Via di Porta Cavalleggeri". Then, our bank is just a couple of steps away.

Please follow the traffic signs "Città del Vaticano" or "San Pietro" (in case you are arriving in Rome via motorway-circle "Grande Raccordo Anulare" (G.R.A.), you should leave at "SS1 Aurelia").
